## NEW to the school? Wondering what this “PTSA” thing is all about?!

Here are three questions we often receive as it relates to Tolt Middle School:

**Q. Does becoming a member of the PTSA mean I have to volunteer for hours on end at school?**

A. Becoming a PTSA member does not mean you have to volunteer for hours on end – in fact, volunteering is 100% optional. Volunteer as much as you like, or not at all. Membership is not tied to volunteering. Becoming a member of the Tolt PTSA simply says, “ I support and see value in the teachers and parents communicating and working together to continue to make Tolt a great school!”

**Q. If I’m a PTSA member at a different school, do I also need to sign up for membership at Tolt?**

A. Every PTSA is separate so supporting another school doesn’t automatically enroll you as a member at Tolt. In fact, did you know that community members, grandparents and aunts/uncles/cousins can help support Tolt by becoming members even if they don’t live in this area? It’s another great way to support our collective goals of enriching the lives of Tolt students!

**Q. What does the PTSA even do for the school?**

A. The 2019-2020 school year was an interesting one! Below is a sampling of where the dollars go (please note that you can always contact us for our latest budget, stay tuned for our updated website):
